

SURREY PARK FOOTBALL CLUB

2022 BUSINESS NETWORK DIRECTORY

ABOUT SURREY PARK FOOTBALL CLUB

2022 brings on our 28th season in our current form as Surrey Park Football Club, after being formed through the amalgamation of our two founding clubs in 1994 (Surrey Hills Football Club – established in 1887, and East Camberwell Football Club).

2021 was one of our most successful years in our history, when our Senior Men's secured 2nd spot on the ladder, our Reserves were declared Division 4 Reserve Premiers and our U19's were placed 6th in Premier Division - and in contention for finals. Our Women's Team also commenced playing in Division 2 and made great progress in their first season together. We are looking forward to building on this success in 2022 and beyond.

We compete in Division 4 of the Eastern Football Netball League (largest domestic football competition in Australia) and field a Men's Senior, Reserves and Women's team in Division 2 of the EFNL Competition. This completes our goal of providing a football path from Juniors into Senior football for all boys and girls at Surrey Park.

Please see www.surreyparkfc.com.au for more information on the club.

ABOUT OUR AFFILIATIONS

Surrey Park Football Club has a proud history of partnering with local businesses, with the knowledge that without this support, local sporting organisations such as our Football Club would not be able to operate.

Over the past five years Surrey Park has strengthened the key partnerships across an array of industries, including automotive, building and trades, education, financial services, hospitality and leisure, health, real estate, travel and many more.

Our existing partners have experienced the benefits of utilizing Surrey Park Football Club's vast networks, including existing partners such as Epworth Eastern, CD Motor Group, The Harp of Erin Hotel, Bendigo Bank, Smith's Floorworld and Aussie home Loans Blackburn.

We believe that the strength of our football club is directly tied to the strength of the local community, and it is this fundamental reason that we have put together this Directory, to celebrate the success of local business within Surrey Hills and the wider local community.

ABOUT THIS DIRECTORY

As part of Surrey Park Football Clubs commitment to supporting our local community and the broader community we have put together the following Business Network Directory for Season 2022 to showcase the many businesses that lend their support, time and resources to Surrey Park and help us achieve our goals on the field.

Together with the Surrey Park Junior Football Club and the Surrey Park Netball Club, our three clubs connect with over 800 local families within the local community on a daily basis via our respective social media platforms (including Instagram, Facebook, & Twitter) in addition to our website and weekly emails.

Most of all, if you chose to support the many sponsors and advertiser in this directory, please make sure you let them know you have done so because you are part of the Surrey Park Football Club
